OBJECTIVE

Computer Systems and Design professional seeking software development opportunities, with experience contributing to enterprise workflow modernization and an interest in building scalable web applications and AI-driven solutions.

EDUCATION

B.Sc. – Computer Systems and Design 2023–2026
Kongu Engineering College.
Current CGPA: 7.34

Higher Secondary (12th Standard) 2022–2023
Vivekananda Vidyalaya Matriculation Higher Secondary School.
Percentage: 72.33%

TECHNICAL SKILLS

Programming Languages: Java, Python, C, SQL
Web Technologies: HTML5, CSS3, JavaScript, React.js, REST APIs, JSON
Tools & Platforms: Git, GitHub, VS Code, Swagger / OpenAPI, Postman, OCR, AI Concepts & Prompt Engineering
Core Competencies: Database Management Systems (DBMS), UI/UX Wireframing, ERP Systems, API Integration

PROFESSIONAL EXPERIENCE

Software Development Intern / Trainee April 2026–October 2026
NavaNala Technologies

- Engaged in professional software engineering, contributing to digital transformation initiatives and modernization of enterprise workflows.
- Designed and maintained scalable software modules and database components to improve application performance.

PROJECTS

LEDZE+ – Enterprise ERP Platform

- Developed a comprehensive enterprise ERP platform streamlining procurement, sales, inventory, and CBS accounting modules.
- Implemented multi-level authorization workflows, audit trails, and end-to-end transaction traceability.

Dyeing Company E-Commerce Platform

- Built a full-featured web platform to digitalize order management, featuring custom colour-shade selection and cost estimation.

Blood Donation Website

- Engineered a responsive web application bridging blood donors and recipients with robust request-management modules.

TRAINING & CERTIFICATIONS

- In-plant training in Java – EMGlitz Technology, Coimbatore (2024).
- One Credit Course: AI Prompt Engineering.
- Oracle Database Developer Course – Oracle (May 2025).

AREAS OF INTEREST

Database Management Systems (DBMS); UI/UX Design, including prototyping and wireframing.
